## Welcome Back!

A normal year... hopefully!

Long summer days are starting to come to an end. Before we know it the leaves will be changing colors and falling to the ground. The days will get shorter and the temperatures will get cooler. God loves to decorate with such beautiful colors and we will be seeing so many of

them very soon. With the changing of the seasons we also do a changing of activities. We leave the pool behind and start going back to school. For some, this is a sad time. For so many though it means going back to see their friends whom they have missed all summer long! With school starting back up religious education classes start back up as well and I, for one, am extremely excited to see you all back and look forward to spending another year with you!

## **“Celebrating our Catechists!”**

Sunday, September 19<sup>th</sup> is called Catechist Sunday. This is a day to celebrate our amazing catechists! These are men and women who know that our faith is so very important and they want to share that with our children. This is a day to thank them and appreciate them and what they do. Thank you Erin Nuss, Connie Cimino, Alyce Hafer, Beth Baillie, Maggie Davis, Jodi Beyers, Michael Smith and Nikki Miller! We appreciate all of you!

CATECHISTS!**

## **Turning Faith into Action**

Our theme this year is “Turning Faith into Action”. I would really like everyone to see how their actions affect how people view our faith, and how to turn our faith into action. If you are doing something that isn’t so nice or talking to someone rudely and they know that you are catholic- those people are going to think that ALL catholics are not nice or rude. On the other hand, if you treat other people with respect and help other out when you can, then those people are going to like catholics. This is why it is so important to live by the Golden rule, “Treat others the way you want to be treated.”
