UPCOMING

What is next.

forward to their First Communion. They are eager to learn and are learning how to pray for their intentions. Definitely a joy to teach!

“Super Bowl”

The Bob Benefield Memorial Trophy is a trophy that sits in the classroom of the years Super Bowl Winners. Money was donated to CCD when he passed and it was used to purchase the trophy. I (Amy Killian) was finding that the kids were excited to learn if there was some kind of sport/game to motivate them. Back when it started, Todd Thomas was the official with his full uniform and whistle. I know Mike Muenier helped coach the Falcons and also helped run the CCD Super Bowl. It was a way for us to teach the material the kids were expected to know and have them have a tangible goal to learn it by. Father Dennis was a huge supporter of it as well.
